MALTA BLOCKCHAIN SUMMIT

November 1st 2018 @ Intercontinental Malta

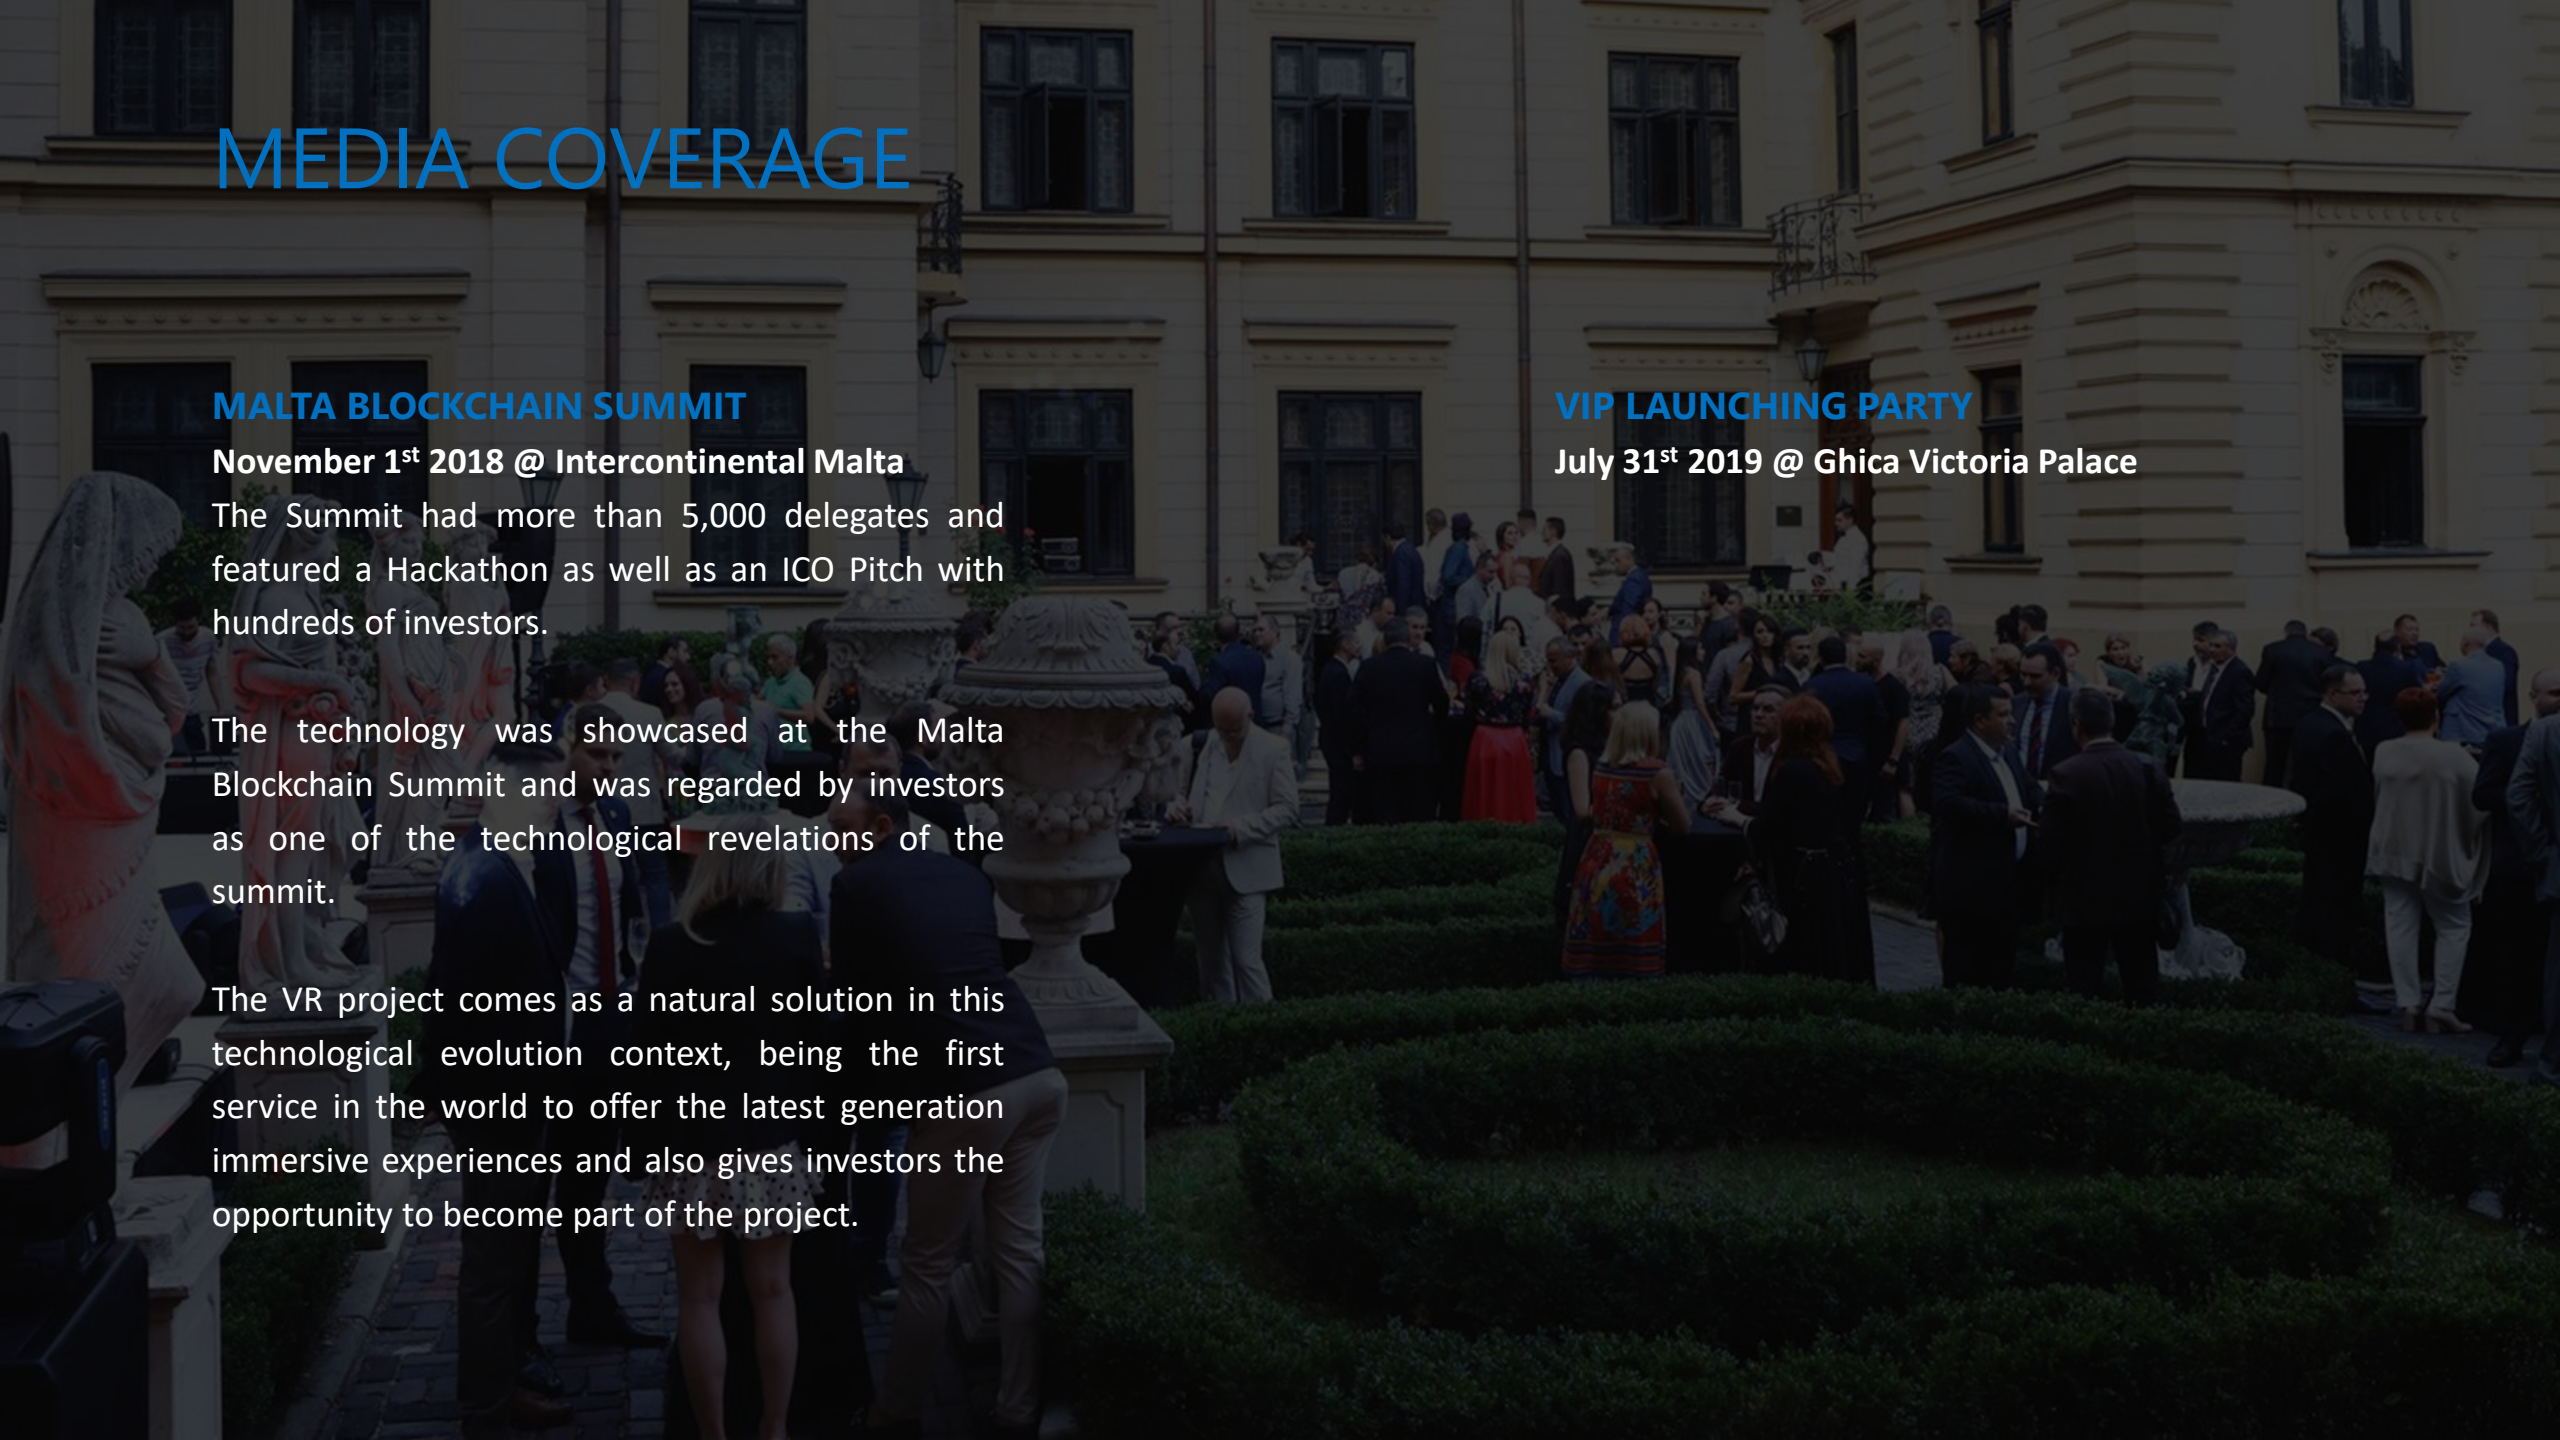

The Summit had more than 5,000 delegates and featured a Hackathon as well as an ICO Pitch with hundreds of investors.

The technology was showcased at the Malta Blockchain Summit and was regarded by investors as one of the technological revelations of the summit.

The VR project comes as a natural solution in this technological evolution context, being the first service in the world to offer the latest generation immersive experiences and also gives investors the opportunity to become part of the project.
